

January 8th, 2019

Dear Band Parents,

I hope that you all had a great holiday season filled with family, friends, and of a lot of food! We are gearing up for the spring semester filled with many performances and rehearsals.

Attached is the **Concert Band** rehearsal and concert information for the spring semester. As stated in the syllabus provided at the beginning of the school year, concerts are an integral part of the learning process for the students and they are a required event for the course. Some ensembles also have rehearsals that are a mandatory part of the class.

I understand family schedules may have already been set for the semester so I am opening a window for students and families to look through their calendar and inform me of the conflicts with any of the rehearsal and concert dates. Please submit all excuses to me by **Thursday January 31st, 2019**. Any conflicts after the cutoff date will be approved on a case-by-case basis. Normally, only family emergencies or extreme health issues for the student will be approved after the cutoff date.

Please also note that there are two changes to the calendar:

1. Wind Band Festival Date Change for Concert Band Only (4/2/19)
2. Aloha Concert was changed to Thursday May 2nd, 2019

Each student is an integral part of the success of the entire band. One missing student changes the blend, balance, and beauty of the music performed. I hope to instill that in each student throughout their time in our program; their individual efforts and presence makes the entire group better.

Please complete and return the acknowledgement sheet below. I look forward to working with you all this semester!
